

Greek Catholic Patriarchate School - Beit Sahour
List of Needy Students 2023/2024

We at the Melkite Catholic Patriarchate School thank you for your donation year after year, we strive to aid students in need. We specifically aim to keep the Christian families from emigrating out of Beit Sahour and the Holy Land, despite the difficult economic and political situation we face on a daily basis. These banners include the difficulty parents have in travelling and working in Jerusalem without permission from the government, and these permits are hard to obtain. Parents also struggle to pay for their children's school fees if they have more than two children. Moreover, we must support parents in order to keep and raise the number of Christian students in our school and the Holy Land. Your support helps us achieve this goal and strengthen their faith, as well as support students of a lower socioeconomic status and allow parents to spend their income on other essential needs of the family.

We are doing our best to provide an effective and healthy learning environment for students and teachers through following up to date methods of teaching using technology. We help teachers keep up with new strategies and modern methods of teaching by providing workshops and training. We prioritize raising our children on Jesus' teachings and helping them live a peaceful Christian life.
