

Greek Catholic Patriarchate School - Beit Sahour
List of Needy Students 2016/2017

The selection of the needy students list is based on:

- 1- The case of each family, ie (financial situation, number of family members, development of parent's health...etc)
- 2- Most families have overwhelming fees piled up on them from previous years.
- 3- The income of all families is low.

Most of them believe in education and would like to keep them attending our school. Your assistance will help us keep those students in school and preserve and develop the faith in their home land and give them hope for a better future for their children.

Also, your assistance will help the school cover a part of the old due balances."
